

## ***YOU ARE INVITED!!***

***Please Join Us for the 2007 PNC/MLA Annual Conference: Boot Up Under the Big Sky: Libraries, Computers and the West  
September 30-October 2, 2007***

The Pacific Northwest Chapter of the Medical Library Association will be celebrating our 50th Anniversary at this year's annual meeting in Seattle. Please plan on joining us as a vendor!

We will be meeting at the Montana State University Billings Downtown Campus from September 30-October 2, 2007. Our theme for this year builds on technology in libraries. In addition to looking at current and up and coming technologies, we will be looking at disaster preparedness.

Our vendor day will be Monday, October 1 from 7:30 am to 6:00 pm. We will have our traditional "Lunch with the Vendors" where our members will have time to spend with you. Sponsorship opportunities include helping to cover the costs of our luncheon, breaks, or opening reception.

We plan to have a passport game again this year to encourage conference attendees to visit as many vendor booths as they can. If you have door prizes or would like to contribute funds to this worthy effort, please make a note on the attached exhibit reservation form.

***We look forward to seeing you in Billings!!***
